

# Estranged – Guns N' Roses

When you're talkin' to yourself  
And nobody's home  
You can fool yourself  
You came in this world alone  
Alone  
So, nobody ever told you, baby  
How it was gonna be  
What'll happen to you, baby  
Guess we'll have to wait and see  
Old at heart, but I'm only twenty-eight  
And I'm much too young  
To let love break my heart  
Young at heart,  
But it's getting much too late  
To find ourselves so far apart  
I don't know how you're supposed  
To find me lately  
And what more could you ask from me?  
How could you say that I never needed you  
When you took everything  
Said you took everything from me  
Young at heart, and it gets so hard to wait  
When no one I know can seem to help me now  
Old at heart, but I mustn't hesitate  
If I'm to find my own way out  
Still talkin' to myself  
And nobody's home  
Alone  
So, nobody ever told us, baby  
How it was gonna be  
So, what'll happen to us, baby?  
Guess we'll have to wait and see  
When I find out all the reasons  
Maybe I'll find another way  
Find another day  
With all the changing seasons of my life

Maybe I'll get it right next time  
And now that you've been broken down  
Got your head out of the clouds  
You're back down on the ground  
And you don't talk so loud  
And you don't walk so proud  
Anymore, and what for?  
Well, I jumped into the river  
Too many times to make it home  
I'm out here on my own,  
And drifting all alone  
If it doesn't show, give it time  
To read between the lines  
'Cause I see the storm is getting closer  
And the waves, they get so high  
Seems everything we've ever known's here  
Why must it drift away and die?  
I'll never find anyone to replace you  
Guess I'll have to make it through this time  
Oh, this time  
Without you  
I knew the storm was getting closer  
And all my friends said I was high  
But everything we've ever known's here  
I never wanted it to die
