

November Rain – Guns N' Roses

When I look into your eyes
I can see a love restrained
But darlin' when I hold you
Don't you know I feel the same
Yeah
Cause nothing lasts forever
And we both know hearts can change
And it's hard to hold a candle
In the cold November rain
We've been through this such a long long time
Just trying to kill the pain
Oh yeah
But lovers always come and lovers always go
And no one's really sure who's lettin' go today
Walking away
If we could take the time
To lay it on the line
I could rest my head
Just knowin' that you were mine
All mine
So if you want to love me
Then darlin' don't refrain
Or I'll just end up walking
In the cold November rain

Do you need some time
On your own
Do you need some time
All alone
Uuu everybody needs some time
On their own
Uuu don't you know you need some time
All alone

I know it's hard to keep an open heart
When even friends seem out to harm you

But if you could heal a broken heart
Wouldn't time be out to charm you

And when your fears subside
And shadows still remain
Oh yeah
I know that you can love me
When there's no one left to blame
So never mind the darkness
We still can find a way
Cause nothin' lasts forever
Even cold November rain
