

# Patience – Guns N' Roses

Whistle

Shed a tear 'cause I'm missin' you  
I'm still alright to smile  
Girl, I think about you every day now  
Was a time when I wasn't sure,  
But you  
Set my mind at ease  
There is no doubt  
You're in my heart now  
Said, woman, take it slow,  
It'll work itself out fine  
All we need is just a little patience  
Said, sugar make it slow,  
And we come together fine  
All we need is just a little patience  
I sit here on the stairs,  
'cause I'd rather be alone  
If I can't have you right now  
I'll wait, dear  
Sometimes I get so tense,  
But I can't speed up the time  
But you know, love  
There's one more thing to consider  
Said, woman, take it slow,  
And things will be just fine  
You and I'll use a little patience  
Said, sugar, take the time  
'cause the lights are shining bright  
You and I've got what it takes  
To make it,  
Won't fake it,  
I'll never break it  
'cause I can't take it  
Whistle  
Little patience  
I been walkin' the streets at night

Just tryin' to get it right  
Hard to see with so many around  
You know I don't like,  
Being stuck in the crowd  
And the streets don't change  
But baby the name  
I ain't got time for the game  
'cause I need you  
Yeah,  
But I need you,  
I need you,  
I need you,  
All this time
