

# This i love – Guns N' Roses

And now I don't know why  
She wouldn't say goodbye  
But then it seems that I  
Had seen it in her eyes  
And it might not be wise  
I'd still have to try  
With all the love I have inside  
I can't deny  
I just can't let it die  
'Cause her heart's just like mine  
She holds her pain inside  
So if you ask me why  
She wouldn't say goodbye  
I know somewhere inside  
There is a special light  
Still shining bright  
And even on the darkest night  
She can't deny  
So if she's somewhere near me  
I hope to God she hears me  
There's no one else  
Could ever make me feel I'm so alive  
I hoped she'd never leave me  
Please God you must believe me  
I've searched the universe  
And found myself Within' her eyeeees  
No matter how I try  
They say it's all a lie  
So what's the use of my  
Confessions to a crime  
Of passions that won't die  
In my heaaaart  
So if she's somewhere near me  
I hope to God she hears me  
There's no one else  
Could ever make me feel I'm so alive

I hoped she'd never leave me  
Please God you must believe me  
I've searched the universe  
And found myself Within' her eyeeees  
So if she's somewhere near me  
I hope to God she hears me  
There's no one else  
Could ever make me feel I'm so aliiiiive  
I hoped she'd never leave me  
Please God you must believe me  
I've searched the universe  
And found myself Within' her eyeeees  
And now I don't know why  
She wouldn't say goodbye  
It just might be that I  
Had seen it in her eyes  
And now it seems that I  
Gave up my ghost of pride  
I'll never say goodbyyyyyyyyyyye
