

# Trade it for the night – HAEVN

Look in my eyes  
Do you fear the time that comes  
Like going up on everest  
Lay in my arms  
In this moment we belong  
Staying up to everlast  
Who wants to live forever?  
For the rising sun  
Who wants to wait forever?  
Till the moon is gone  
Oweeja, oweeja  
Just stay here  
Till the dawn comes  
Oweeja, oweeja  
Just stay here  
Till the dawn comes  
Look at you now  
Do you linger in regret  
Like a haunted revenant  
Uncover it all  
Don't you listen to the past  
Waiting up to everlast  
Who said we'd live forever  
With a fading sun  
Who wants to wait forever  
Till the moon is gone  
Oweeja, oweeja  
Just stay here  
Till the dawn comes  
Oweeja, oweeja  
Just stay here  
Till the dawn comes  
Just take the moment  
Don't waste another life  
Just take your worries  
We'll trade it for this night

Just take the moment  
Don't waste another life  
Just take your worries  
We'll trade it for this night
