## **Colors – Halsey**

Your little brother never tells you but he loves you so You said your mother only smiled on her TV show You're only happy when your sorry head is filled with dope I hope you make it to the day you're 28 years old

You're dripping like a saturated sunrise You're spilling like an overflowing sink You're ripped at every edge but you're a masterpiece And now you're tearing through the pages and the ink

Everything is blue
His pills, his hands, his jeans
And now I'm covered in the colors
Pulled apart at the seams
And it's blue
And it's blue

Everything is grey
His hair, his smoke, his dreams
And now he's so devoid of color
He don't know what it means
And he's blue
And he's blue

You were a vision in the morning
When the light came through
I know I've only felt religion
When I've lied with you
You said you'll never be forgiven
'til your boys are too
And I'm still waking every morning
But it's not with you

You're dripping like a saturated sunrise You're spilling like an overflowing sink You're ripped at every edge but you're a masterpiece And now you're tearing through the pages and the ink Everything is blue
His pills, his hands, his jeans
And now I'm covered in the colors
Pulled apart at the seams
And it's blue
And it's blue
Everything is grey
His hair, his smoke, his dreams
And now he's so devoid of color

And he's blue

He don't know what it means

And he's blue

And it's blue

You were red and you liked me 'cause I was blue You touched me and suddenly I was a lilac sky And you decided purple just wasn't for you Everything is blue His pills, his hands, his jeans And now I'm covered in the colors Pulled apart at the seams And it's blue

Everything is grey
His hair, his smoke, his dreams
And now he's so devoid of color
He don't know what it means
And he's blue
And he's blue

Everything is blue Everything is blue Everything is blue Everything is blue
