

Eyes Closed – Halsey

I, I know where to lay
I know what to say
It's all the same
And I, I know how to play
I know this game
It's all the same
Now if I keep my eyes closed, he looks just like you
But he'll never stay, they never do
Now if I keep my eyes closed, he feels just like you
But you've been replaced
I'm face to face with someone new
Would've gave it all for you, cared for you
So tell me where I went wrong
Would've gave it all for you, cared for you
Would've traded all for you, there for you
So tell me how to move on
Would've traded all for you, cared for you
Now if I keep my eyes closed, he looks just like you
But he'll never stay, they never do
Now if I keep my eyes closed, he feels just like you
But you've been replaced
I'm face to face with someone new
He don't realize that I'm thinkin' about you
It's nothing new, it's nothing new
Now if I keep my eyes closed, he looks just like you
But he'll never stay, they never do
Now if I keep my eyes closed, he feels just like you
But you've been replaced
I'm face to face with someone new
