

Don't Let Go – Happy Prince

You say you're calling a crossfire
Hold your ground
We may be late
We still trying
To win the fight
And not a thing
Will pass me by this time
But don't let me go
To fall to the ground
Don't Let Go now
Don't Let Go
Just one day
And the time maybe
Promise land will arrive
We're still in time for love to make it
And leave it all behind
And not a thing will pass me by this time
But don't let me go
To fall to the ground
Don't Let Go now
Don't Let Go
Don't Let Go now
Don't Let Go
It's time I open my eyes
To see
It don't seem get better than this
Don't Let Go now
Don't Let Go
Don't Let Go now
Don't Let Go
Just now!
