## Don't Let Go - Happy Prince

You say you're calling a crossfire

Hold your ground

We may be late

We still trying

To win the fight

And not a thing

Will pass me by this time

But don't let me go

To fall to the ground

Don't Let Go now

Don't Let Go

Just one day

And the time maybe

Promise land will arrive

We're still in time for love to make it

And leave it all behind

And not a thing will pass me by this time

But don't let me go

To fall to the ground

Don't Let Go now

Don't Let Go

Don't Let Go now

Don't Let Go

It's time I open my eyes

To see

It don't seem get better than this

Don't Let Go now

Don't Let Go

Don't Let Go now

Don't Let Go

**Just now!**
