

# Golden – Harry Styles

Golden, golden, golden  
As I open my eyes  
Hold it, focus, hoping  
Take me back to the light  
I know you were way too bright for me  
I'm hopeless, broken  
So you wait for me in the sky  
Browns my skin just right  
You're so golden  
You're so golden  
I'm out of my head  
And I know that you're scared  
Because hearts get broken  
I don't wanna be alone  
I don't wanna be alone  
When it ends  
Don't wanna let you know  
I don't wanna be alone  
But I, I can feel it take a hold  
I can feel you take control  
Of who I am and all I've ever known  
Loving you's the antidote  
Golden  
You're so golden  
I don't wanna be alone  
You're so golden  
You're so golden  
I'm out of my head  
And I know that you're scared  
Because hearts get broken  
(Przerwa)  
I know that you're scared  
Because I'm so open  
You're so golden  
I don't wanna be alone  
You're so golden

You're so golden  
I'm out of my head  
And I know that you're scared  
Because hearts get broken
