

# Matilda – Harry Styles

You were riding your bike  
To the sound of "It's No Big Deal"  
And you're trying to lift off  
The ground on those old two wheels  
Nothing 'bout the way that you were treated  
Ever seemed especially alarming 'til now  
So you tie up your hair  
And you smile like it's no big deal  
You can let it go  
You can throw a party  
Full of everyone you know  
And not invite your family  
'cause they never showed you love  
You don't have to be sorry  
For leavin' and growin' up, mmhm  
Matilda, you talk of the pain  
Like it's all alright  
But I know that you feel like  
A piece of you's dead inside  
You showed me a power  
That is strong enough  
To bring sun to the darkest days  
It's none of my business,  
But it's just been on my mind  
You can let it go  
You can throw a party  
Full of everyone you know  
And not invite your family  
'cause they never showed you love  
You don't have to be sorry  
For leavin' and growin' up  
You can see the world, following the seasons  
Anywhere you go, you don't need a reason  
'Cause they never showed you love  
You don't have to be sorry  
For doin' it on your own

You're just in time,  
Make your tea and your toast  
You framed all your posters  
And dyed your clothes, ooh  
You don't have to go,  
You don't have to go home  
Oh, there's a long way to go  
I don't believe that time  
Will change your mind  
In other words, I know  
They won't hurt you anymore  
As long as you can let them go  
You can let it go  
You can throw a party  
Full of everyone you know  
You can start a family  
Who will always show you love  
You don't have to be sorry  
For doin' it on your own  
You can let it go  
You can throw a party  
Full of everyone you know  
You can start a family  
who will always show you love  
You don't have to be sorry, no
