

Sign of the Times – Harry Styles

Just stop your crying
It's a sign of the times
Welcome to the final show
Hope you're wearing your best clothes
You can't bribe the door on your way to the sky
You look pretty good down here
But you ain't really good

If we never learn, we've been here before
Why are we always stuck and running from the bullets?
The bullets
We never learn, we've been here before
Why are we always stuck and running from the bullets?
The bullets

Just stop your crying
It's a sign of the times
We gotta get away from here
We gotta get away from here
Just stop your crying
It will be alright
They told me that the end is near
We gotta get away from here

Just stop crying
Have the time of your life
Breaking through the atmosphere
And things are pretty good from here
Remember everything will be alright
We can meet again somewhere
Somewhere far away from here

If we never learn, we've been here before
Why are we always stuck and running from the bullets?
The bullets
We never learn, we've been here before

Why are we always stuck and running from the bullets?

The bullets

Just stop your crying

It's a sign of the times

We gotta get away from here

We gotta get away from here

Just stop your crying

Baby it will be alright

They told me that the end is near

We gotta get away from here

If we never learn, we've been here before

Why are we always stuck and running from the bullets?

The bullets

We never learn, we've been here before

Why are we always stuck and running from the bullets?

The bullets

We don't talk enough

We should open up

Before it's all too much

Will we ever learn?

We've been here before

It's just what we know

Stop your crying baby

It's a sign of the times

We gotta get away

We got to get away

We got to get away

We got to get away

We got to get away

We got to, we got to

We got to, we got to

We got to, we got to
