

Treat People With Kindness – Harry Styles

I got a good feeling
I'm just takin' it all in
Floatin' up and dreamin'
Droppin' into the deep end

And if we're here long enough
They'll sing a song for us
And we'll belong

(Przerwa)

Givin' second chances
I don't need all the answers
Feelin' good in my skin
I just keep on dancin'

And if we're here long enough
We'll see it's all for us
And we'll belong

(Przerwa)

And it's just another day
And if our friends all pass away
It's okay
It's okay!

(Przerwa)

All we ever want is automatic all the time
All we ever want is auto, auto all of the time
All we ever want is automatic all the time
All we ever want is auto, auto all of the time

I got a good feeling
I'm just takin' it all in

Floatin' up and dreamin' Droppin' into the deep end
