

Brighter – Hazbin Hotel: Christian Borle, Sam Haft, Andrew Underberg

That's it for today
And remember,
Trust us with your weather!
Rome wasn't built in a day
You gotta climb a little higher
To the top of the display
Where there's a will,
There's a way
You just gotta slit a throat or two,
To make the weak obey
Today, we mourn the loss of one of our own
But our commitment to the truth
Is as strong as ever
Remember, trust us with your news
If you want it, just take it
The world's yours, don't waste it
Go make the stars align,
To shine brighter
Brighter than the heavens in the skies above
(-----)
You'll be brighter,
Goin' supernova, all the eyes look up
(-----)
And a big thank you to my producers
For giving me this chance
I know I have some mighty big shoes to fill
But I promise,
You can trust me
With your entertainment
It's not a shot in the dark,
Not up to chance
If you got plans,
You'll cancel every question mark
Fish like to swim next to sharks
Yeah, you eat or you get eaten

And you're feastin' on their hearts
They're calling me a god, Bob!
You gotta strike while the iron's hot
Leave the channel to me
I'll bring in more new blood
Than you'll know what to do with come on!
Trust me with your network
To shine brighter
Brighter than the heavens in the skies above
(-----)
You'll be brighter
Goin' supernova, all the eyes look up
(-----)
Brighter!
The other studios wanna feed you
The same old crap everyone's seen before
You want newer,
You want bigger,
You want brighter
I will be your voice,
And we will redefine what it means
To rule the airwaves
Trust me, and your future will be brighter
Now who's ready to be baptized into a new era
Of entertainment?
Brighter
Finally, I'll show them what I'm meant to be
(-----)
They won't believe their eyes
When I bring them to their knees
To worship me
Brighter!
