

# Heaven 2 Hell – Hazbin Hotel

A: Attention all sinners! Alastor here!

C: And Charlie!

A: And we're pleased as punch  
To tell you about the new Hazbin Hotel!

C: Actually, it's the Happy Hot-

A: Wonderful! Now listen up!

What would you do if I said

There's a place for you?

A place completely free of

Shame and doubt

What would you do if you

Could start it all anew?

Well, come to our hotel and you'll find out

You will not want for anything,

We'll take it all away

C: No, actually, we'll give

You things 'cause stealing's not okay

A: Like beds of nails and swarms of bugs

C: Or cupcakes and a bunch of hugs

A: We'll make them pay

C: They'll want to stay

Don't scare them all away

We may not agree on everything

As far as we can tell

But we both want this new venture to do well

A: So, with her passion

C: And his power

And this rinky-dink hotel

We might just bring some heaven to hell

C: It's clear to me that you're

Just looking for control

It's definitely getting out of hand

A: (I agree)

C: So before we go and tell another

Tired, tortured soul

I think we need to come up with a plan

A: (good idea!)

A: We'll ship them in and dress them  
Up and make them look the part

C: Well, actually, we probably  
Should help them change their heart

A: By teasing them and baiting them

C: Or rehabilitating them

A: Boil them, baste them, slice them up  
And serve them à la carte

C: That's horrible!

A: Don't be such a princess

C: Go to Hell!

A: Already there, darling!

We may not agree on everything

As far as we can tell

But we both want this new venture to do well

A: So, with her passion

C: And his power

And this rinky-dink hotel

We might just bring some heaven to hell

A: One more time for the demons in the back!

With our passion, and our power

And this rinky-dink hotel

We might just bring some heaven to hell

A: Want some hors d'oeuvres?

C: I'll pass

A: Yeah!

Thank you, thank you! I'm here

For all eternity!

Hahahaha
