You've got the chef?

(Woh-oh-oh!)

Michelin tasting menu, free à la carte

I'll rig the game for you

Because I'm the ref!

Champagne fountains

Caviar mountains

That's just a start!

A: Who's been here since day one?

Who's been faithful as a nun?

Makes you chuckle with an old-timey pun?

Your executive producer

(That's true!)

I'm your guy, your day-to-day

Your chum, your steadfast hotelier

Remember when I fixed that clog today?

(I was stuck Thank you, sir!)

(Oh you!)

I'm truly honored that we've

Built such a bond

(Aawww!)

L: Uh, what?

A: I care for you just like a

A: It's a little funny

(music)

A: They say when you're
Looking for assistance
It's smart to pick the path
Of least resistance

L: Others say that in your needy hour
There's no substitute for pure
Angelic power!

Who just happens to also be your blood!

A: Sadly, there are times
A birth parent is a dud

They say the family you choose is better

L: What a bunch of losers!

A: Can you butt out of my song?

L: Your song? I started this!

A: I'm singing it, I'll finish it!
