

Gravity – Hazbin Hotel: Jessica Vosk, Alex Brightman, Sam Haft & Andrew Underberg

Does no one know
Who they're dealing with?
Think I'll let it go
Forget and forgive
The rage in me
(yeah?)
Is terminal
(yeah?)
There's no remedy
(yeah!)
But to burn 'em all
I still got a job to do,
My mission's incomplete
Only a traitor could
Consider making peace
The princess has to pay
For what she did that day
For what she took away
Storm's comin', I can see the clouds
No runnin's gonna save you now
And hard rain is gonna fall down
Like gravity, like gravity
Eye for an eye says you owe me a debt
Blood demands blood, gonna get my hands wet
The flood's comin' now you can bet
On tragedy, like gravity
You think you're Hell's great savior
Will you still when I return the favor?
Take the one you need
Make you watch 'em bleed
Will you break thinkin'
How you couldn't save her?
Wishing you were there when they needed you
The only soul who's ever completed you
Maybe then you'll get a little heated too

And understand why this is what I need to do
Storm's comin',
I can see the clouds
(Sanctus Dominus)
No runnin's gonna save you now
And hard rain is gonna fall down
Like gravity, like gravity
Eye for an eye says you owe me a debt
(yeah!)
Blood demands blood,
Gonna get my hands wet
The flood's comin' now you can bet
On tragedy, like gravity
(Dominus)
