

Ghost – He is

We're standing here by the abyss and the
World is in flames

Two star-crossed lovers reaching out
To the beast with many names

He is

He's the shining and the light without
Whom I cannot see

And he is

Insurrection, he is spite,

He's the force that made me be

He is

Nostro dis pater, nostr' alma mater

He is

We're hiding here inside a dream

And all our doubts are now destroyed

The guidance of the morning stars

Will lead the way into the void

He is

He's the shining and the light without

Whom I cannot see

And he is

Insurrection, he is spite, he's the force

That made me be

He is

Nostro dis pater, nostr' alma mater

He is

He is

He's the shining and the light without

Whom I cannot see

And he is

Insurrection, he is spite, he's the force

That made me be

He is

He's the shining and the light without

Whom I cannot see

And he is

The disobedience that holds us together

He is

Nostro dis pater, nostr' alma mater

And we are falling over the precipice
