

All I Want to Do Is Make Love to You – Heart

It was a rainy night
When he came into sight
Standing by the road
No umbrella, no coat
So I pulled up along side
And I offered him a ride
He accepted with a smile
So we drove for a while
I didn't ask him his name
This lonely boy in the rain
Fate, tell me it's right
Is this love at first sight
Please don't make it wrong
Just stay for the night
All I wanna do is make love to you
Say you will, you want me too
All I wanna do is make love to you
I've got lovin' arms to hold on too
So we found this hotel
It was a place I knew well
We made magic that night
Oh, he did everything right
He brought the woman out of me
So many times, easily
And in the morning' when he woke
All I left him was a note
I told him I am the flower
You are the seed
We walked in the garden we planted a tree
Don't try to find me, please don't you dare
Just live in my memory, you always be there
All I wanna do is make love to you
One night of love was all we knew
All I wanna do is make love to you
I've got lovin' arms to hold on to, oh-oh
Uh, we made love, love like strangers

All night long, we made love
That it happened one day
We came' around the same way
You can imagine his suprise
When he saw his own eyes
I said, Please, please understand
I'm in love with another man
And what he couldn't give me, oh-oh
Was the one little thing that you can
All I wanna do is make love to you
One night of love was all we knew
All I wanna do is make love to you
C'mon say you will, you want me, too
All I wanna do is make love to you
One night of love was all we knew
All I wanna do is make love to you
Say you will, baby, want me too
All night long (all I wanna do is)
All night long (all I wanna do is)
All night long (all I wanna do is)
All night long (all I wanna do is)
All I wanna do (is make love to you)
All I wanna do
All I wanna do
All I wanna do
All I wanna do is make love to you
One night of love was all we knew, yeah
(all I wanna do)
(All I wanna do is make love to you)
All night long (all I wanna do)
All night long
