

# I Can – Halloween

May I take you higher  
Feed well your desire  
We won't be forgotten  
Foes left slain and rotten  
I will have my way as once before  
Others stand in awe can't scorn at all  
I can, I can, I can make it all again  
I don't wanna lose, I don't wanna go down  
I can, I can, I can make the call again  
Fulfill my dreams until I'm cured  
I can  
Will I be the flyer  
Keep you more inspired  
Some will leave here shattered  
Wish us tarred and feathered  
Show me anyone who doubts our ways  
I will laugh out loud and I will say  
I can, I can, I can make it all again  
I don't wanna lose, I don't wanna get drowned  
I can, I can, I can heed the call again  
Can attain everything to leave you sure  
I can  
I can  
I, I, I, I can  
Leave me waiting years or strike today  
Trample down the walls and pave your way  
I can, I can, I can make it all again  
I don't wanna lose, I don't wanna go down  
I can, I can, I can make the call again  
Fulfill my dreams until I'm cured  
I can  
I can  
I, I, I can
