

Cotton Candy – Helluva Boss

Hey, I'm whatchu need, I'm watchu want

I got it all, a carnivale

I'll bring you up, I'll take you down

I'm sticky sweet,

Stuck in your teeth like

Cotton candy

[Chorus]

Cotton candy

Cotton candy

Cotton candy

I'm whatchu want,

Not watchu need

Hey, I don't know why

I'm whatchu want, but it's the truth

I'm not your lie

Let them eat cake, let them eat pie

Or better yet, let them eat cotton candy

[Chorus]

Cotton candy

Cotton candy

Cotton candy

I'm whatchu want, not watchu need

Cotton candy skies

Sweet as apple pie

I can't help but shine

Brighter than the starlight in the sky

[Chorus]

(Cotton candy)

(Cotton candy) Yeah!

Cotton candy

I'm whatchu want, not watchu need

So watchu want?

Ya hungry? Take a bite!

Get fucked tonight! (So watchu want?)

Your Queen Bee brings the sweet stuff

So, keep making me that motherfucking honey

Yeah, keep it comin'
Cotton candy
Cotton candy
Cotton candy
I'm whatchu want, not watchu need
Cotton candy skies
Sweet as apple pie
I can't help but shine
Brighter than the starlight
Cotton candy skies
Sweet as apple pie
I can't help but shine
Brighter than the starlight in the sky
