

Owl in a cage – Helluva Boss

Owl in a cage
You show your age
Your sweetness has run foul
Without a change
You're lost, exhausted
By your time
On stage
Then you walked in my room
And like sparks in the dark
Life was suddenly thrilling and new
What's between you and I
Just a comfortable lie
I'm the fool who believes when
You look in my eyes
Prince, all alone
Upon your throne
Your power is so frail
You raise your voice
You have no choice
Inside your gilded jail
