

# Je Ne Sais Quoi – Hera Björk

I am standing strong,  
I've overcome the sadness in my life  
Now I look up and see the brightest sky  
Above me  
And it's reflecting in your eyes  
Je ne sais quoi,  
I know you have a special something  
Je ne sais quoi,  
Something I just can't explain  
And when I see your face,  
I wanna follow my emotions  
Je ne sais pas pourquoi  
When the clouds are gone  
The stars come out around us, shining  
And all that we see is the love,  
Our hearts aligned together  
Tell me, do you feel the same?  
Je ne sais quoi,  
I know you have a special something  
Je ne sais quoi,  
Something I just can't explain  
And when I see your face,  
I wanna follow my emotions  
Je ne sais pas pourquoi  
I just love this crazy feeling  
It's like I've known you all my life  
Je ne sais quoi  
Je ne sais quoi,  
I know you have a special something  
Je ne sais quoi,  
Something I just can't explain  
And when I see your face,  
I wanna follow my emotions  
Je ne sais pas pourquoi
