

# Breaking free – High school musical

If we're trying  
So breaking free

Creating space between us  
'Till we're separate hearts  
But your faith it gives me strength  
Strength to believe

We're soarin'

There's not a star in heaven  
That we can't reach

Yeah we're breaking free

Ohhhh

Connected by a feeling  
Ohhh, in our very souls

Rising 'till it lifts us up  
So every one can see

We're soarin'

There's not a star in heaven  
That we can't reach

Yeah we're breaking free

Oooh  
Runnin'

To get to that place  
To be all that we can be

So breaking free

Ohhh, yeah

This is true

This is fate

And together

We see it comin'

Not a want, but a need

Both of us breakin' free

Soarin'

There's not a star in heaven

That we can't reach

Yeah we're breaking free

Breaking free

We're runnin'

To get to the place

To be all that we can be

So we're breaking free

Ohhh

You know the world can see us

In a way that's different than who we are
