

# Gotta go my own way – High school musical

I gotta say what's on my mind  
Something about us  
Doesn't seem right these days  
Life keeps getting in the way  
Whenever we try  
Somehow the plan  
Is always rearranged  
It's so hard to say  
But I've got to do what's best for me  
You'll be okay  
I've got to move on and be who I am  
I just don't belong here  
I hope you understand  
We might find a place in this world someday  
But at least for now  
I gotta go my own way  
Don't wanna leave it all behind  
But I get my hopes up  
And I watch them fall every time  
Another color turns to gray  
And it's just too hard  
To watch it all  
Slowly fade away  
I'm leaving today  
'Cause I gotta do what's best for me  
You'll be okay  
I've got to move on and be who I am  
I just don't belong here  
I hope you understand  
We might find a place in this world someday  
But at least for now  
I gotta go my own way

What about trust?

What about me?

I gotta leave but I'll miss you  
So, I've got to move on and be who I am

I just don't belong here  
I hope you understand

We might find a place in this world someday  
But at least for now

I gotta go my own way  
I've got to move on and be who I am

I just don't belong here  
I hope you understand

We might find a place in this world someday  
But at least for now

I gotta go my own way  
I gotta go my own way  
I gotta go-my own way
