

Gotta go my own way – High school musical

I gotta say what's on my mind
Something about us
Doesn't seem right these days
Life keeps getting in the way
Whenever we try
Somehow the plan
Is always rearranged
It's so hard to say
But I've got to do what's best for me
You'll be okay
I've got to move on and be who I am
I just don't belong here
I hope you understand
We might find a place in this world someday
But at least for now
I gotta go my own way
Don't wanna leave it all behind
But I get my hopes up
And I watch them fall every time
Another color turns to gray
And it's just too hard
To watch it all
Slowly fade away
I'm leaving today
'Cause I gotta do what's best for me
You'll be okay
I've got to move on and be who I am
I just don't belong here
I hope you understand
We might find a place in this world someday
But at least for now
I gotta go my own way

What about trust?

What about me?

I gotta leave but I'll miss you
So, I've got to move on and be who I am

I just don't belong here
I hope you understand

We might find a place in this world someday
But at least for now

I gotta go my own way
I've got to move on and be who I am

I just don't belong here
I hope you understand

We might find a place in this world someday
But at least for now

I gotta go my own way
I gotta go my own way
I gotta go-my own way
