

Just wanna be with you – High school musical

I got a lot of things
I have to do
All these distractions
Our futures coming soon
We're being pulled
A hundred different directions
But whatever happens
I know I've got you
You're on my mind you're in my heart
It doesn't matter where we are
It'll be alright
Even if we're miles apart
All I wanna do, is be with you, be with you
There's nothing we can do
Just wanna be with you
Only you
No matter where life takes us
Nothing can break us apart
You know it's true
I just wanna be with you
You know how life can be
It changes over night
It's sunny then raining, but it's alright
A friend like you
Always makes it easy
I know that your kidding me every time
Through every up through every down
You know I'll always be around
Through anything you can count on me
All I wanna do, is be with you, be with you
There's nothing we can do
Just wanna be with you
Only you
No matter where life takes us
Nothing can break us apart
You know it's true

I just wanna be with you
I just wanna be with you
