## Start of something new – High school musical

I never believed in What I couldn't see I never opened my heart To all the possibilities I know that something has changed Never felt this way And right here tonight

This could be the start Of something new It feels so right To be here with you And now looking in your eyes I feel in my heart The start of something new

We'd both be here tonight And the world looks so much brighter With you by my side I know that something has changed Never felt this way I know it for real

This could be the start Of something new It feels so right To be here with you And now looking in your eyes I feel in my heart The start of something new

I didn't know it before But now it's easy to see

It's a start Of something new It feels so right To be here with you And now looking in your eyes I feel in my heart

That it's the start Of something new It feels so right To be here with you And now looking in your eyes I feel in my heart The start of something new Start of something new
