

# When there me and you – High school musical

It's funny when you find yourself  
Looking from the outside  
I'm standing here but all I want  
Is to be over there  
Why did I let myself believe  
Miracles could happen  
Cause now I have to pretend  
That I don't really care

I thought you were my fairytale  
A dream when I'm not sleeping  
A wish upon a star  
That's coming true  
But everybody else could tell  
That I confused my feelings with the truth  
When there was me and you

I swore I knew the melody  
That I heard you singing  
And when you smiled  
You made me feel  
Like I could sing along  
But then you went and changed the words  
Now my heart is empty  
I'm only left with used-to-be's  
And once upon a song

Now I know you're not a fairytale  
And dreams were meant for sleeping  
And wishes on a star  
Just don't come true  
Cause now even I can tell  
That I confused my feelings with the truth  
Because I liked the view  
When there was me and you

I can't believe that  
I could be so blind  
It's like you were floating  
While I was falling  
And I didn't mind

Because I liked the view  
I thought you felt it too  
When there was me and yo
