

Someone's watching over me – Hilary Duff

Found myself today
Oh I found myself and ran away
But something pulled me back
The voice of reason I forgot I had

All I know is you're not here to say
What you always used to say
But it's written in the sky tonight

So I won't give up, no I won't break down
Sooner than it seems life turns around
And I will be strong even if it all goes wrong
When I'm standing in the dark I'll still believe
Someone's watching over me

Seen that ray of light
And it's shining on my destiny
Shining all the time and I won't be afraid
To follow everywhere it's taking me

All I know is yesterday is gone
And right now I belong
Took this moment to my dreams

So I won't give up, no I won't break down
Sooner than it seems life turns around
And I will be strong even if it all goes wrong
When I'm standing in the dark I'll still believe
Someone's watching over me

It doesn't matter what people say
And it doesn't matter how long it takes
Believe in yourself and you'll fly high
And it only matters how true you are
Be true to yourself and follow your heart

So I won't give up, no I won't break down
Sooner than it seems life turns around
And I will be strong even if it all goes wrong
When I'm standing in the dark I'll still believe

That I won't give up, no I won't break down
Sooner than it seems life turns around
And I will be strong even when it all goes wrong
When I'm standing in the dark I'll still believe
That someone's watching over, someone's watching over
Someone's watching over me

Hey, yeah
Ooh, ooh

Someone's watching over me
