## Gone with the Sin - HIM

I love your skin oh so white I love your touch cold as ice And I love every single tear you cry I just love the way you're losing your life My baby, how beautiful you are My darling, completely torn apart You're gone with the sin my baby And beautiful you are You're gone with the sin my darling I adore the despair in your eyes I worship your lips once red as wine I crave for your scent sending Shivers down my spine I just love the way You're running out of life My baby, how beautiful you are My darling, completely torn apart You're gone with the sin my baby And beautiful you are You're gone with the sin my darling
