Join me (in death) - HIM

Baby join me in death Baby join me in death Baby join me in death

We are so young
Our lives have just begun
But already we're considering
Escape from this world

And we've waited for so long For this moment to come We're so anxious to be together Together in death

Won't you die tonight for love Baby join me in death Won't you die Baby join me in death Won't you die tonight for love Baby join me in death

This world is a cruel place And we're here only to lose So before life tears us apart let Death bless me with you

Won't you die tonight for love Baby join me in death Won't you die Baby join me in death Won't you die tonight for love Baby join me in death

This life ain't worth living This life ain't worth living This life ain't worth living

This life ain't worth living

Won't you die tonight for love Baby join me in death Won't you die Baby join me in death Won't you die tonight for love Baby join me in death

Baby join me in death
