Baby join me in death
We are so young
Our lives have just begun
That's already we are considering
Escape from this world
And we've waited for so long
For this moment to come
Was so anxious to be together
Together in death
Oh oh oh
Would you die tonight for love?
Baby join me in death
Would you die?
Baby join me in death
Would you die tonight for love?
Baby join me in death
This world is so cruel
Placing were here only to lose
So before life tears us apart, let
Death bless me with you
Oh oh oh
Would you die tonight for love?
Baby join me in death
So would you die?
Baby join me in death
Would you die tonight for love?
Baby join me in death
Join me in death
Oh oh...
