

Rip out the wings of a butterfly – HIM

Heaven ablaze in our eyes
We're standing still in time

The blood on our hands is the wine
We offer as sacrifice

Come on, and show them your love
Rip out the wings of a butterfly

For your soul, my love
Rip out the wings of a butterfly
For your soul

This endless mercy mile
We're crawling side by side

With hell freezing over in our eyes
Gods kneel before our crime

Come on lets show, them your love
Rip out the wings of a butterfly

For your soul, my love
Rip out the wings of a butterfly
For your soul

(Rip out the wings of a butterfly)
Don't let go

(Rip out the wings of a butterfly)
For your soul

Come on, and show them your love
Rip out the wings of a butterfly
For your soul, my love

Rip out the wings of a butterfly
For your soul
(Rip out the wings of a butterfly)
Don't let go

(Rip out the wings of a butterfly)
(Rip out the wings of a butterfly)
For your soul
