

Michael Buble – Home

Another summer day has come and gone away
In Paris and Rome, but I wanna go home

May be surrounded by a million people, I
Still feel all alone, just wanna go home
Oh I miss you, you know

I've been keeping all the letters that I wrote to you
Each were a line or two, "I'm fine baby, how are you?"
I would send them but I know that it's just not enough
My words were cold and flat
And you deserve more than that

Another aeroplane, another sunny place
I'm lucky, I know, but I wanna go home
I got to go home

Let me go home
I'm just too far from where you are
I wanna come home

And I feel just like I'm living someone else's life
It's like I just stepped outside
When everything was going right

And I know just why you could not come along with me
This was not your dream, but you always believed in me

Another winter day has come and gone away
In even Paris or Rome, and I wanna go home
Let me go home

And I'm surrounded by a million people, I
Still feel alone
Let me go home
Oh I miss you, you know

Let me go home
I've had my run, baby I'm done
I've gotta go home
Let me go home

It will all be alright
I'll be home tonight
I'm coming back home
