

Befall (Honkai Impact 3rd Soundtrack) – Honkai Impact 3rd

Raging wind,
While your visage fades away
Where the world
Lies in pieces at my feet
The fire and the storm
And the snow and the mist
Struggle inside,
Help me gain insight
Hail my proud queen,
on and on
on and on
That wax and wane
Showed it's ebb and flow
Selah, selah,
are chanting evermore
Hear, oh hear
all the voices trapped in thee
(-----)
See myself
In your eyes that's colorless
Visions pass
And emotions run through me
Struggle inside,
Help me gain insight
Hail my proud queen,
on and on
on and on
That wax and wane
Showed it's ebb and flow
Selah, selah,
are chanting evermore
Hear, oh hear
all the voices trapped in thee
(-----)
Fair moonlight,

Will you fill my void eyes?

(-----)

(Hail my proud queen, on and on)

(Hail my proud queen, on and on!)

(-----)

Selah, selah,

are chanting evermore

Hear, oh hear

all the voices trapped in thee
