Hiding From Tomorrow - HOST

We're all the same In this messed up game we play Were all hiding from tomorrow Time to face the end Time to face the sorrow Face tomorrow We're all the same In this messed up game we play Were all hiding from tomorrow Free the sane Free from endless tears Were all in fear Senseless are the days forgotten Never trust the ones who thrive on fear Free the sane Free from endless tears Were all in fear Senseless are the days forgotten Never trust the ones who thrive on tears Times to face the end

Time to face the sorrow

In this messed up game we play

Were all hiding from tomorrow

Face tomorrow

We're all the same
