The Prisoner – Howard Jones

You have watched me, safe in your anonymity I have dreamed you, held in your security Some people believe a photograph Traps your mortal soul Your eyes ARE the camera and You've TAKEN hold And you captured me I need you to take control I am a prisoner of no confidence You've entered me now make me whole Every place I go I feel your lenses Trained on me This distant concentration takes away My energy Your image burns it's negative Behind my waking eyes Then the night comes and you stalk your prize And you captured me

I need you to take control

I am a prisoner of no confidence

You've entered me now make me whole

Some people believe a photograph

Traps your mortal soul

Your eyes were the camera and

You've taken hold

And you captured me

I need you to take control

I am a prisoner of no confidence

You've entered me now make me whole
