

Way back into love – Hugh Grant and Haley Bennett

I've been living with a shadow overhead
I've been sleeping with a cloud above my bed
I've been lonely for so long
Trapped in the past,
I just can't seem to move on
I've been hiding all my hopes and dreams away
Just in case I ever need 'em again someday
I've been setting aside time
To clear a little space in the corners
of my mind
All I wanna do is find a way back into love
I can't make it through without a way back
into love
Oh
I've been watching but the stars
Refuse to shine
I've been searching but I just don't
See the signs
I know that it's out there
There's gotta be something
For my soul somewhere
I've been looking for someone to shed
Some light
Not somebody just to get me through the night
I could use some direction
And I'm open to your suggestions
All I wanna do is find a way back into love
I can't make it through without a way back
into love
And if I open my heart again
I guess I'm hoping you'll be there for me
In the end
There are moments when I don't know
If it's real
Or if anybody feels the way I feel

I need inspiration
Not just another negotiation
All I wanna do is find a way back into love
I can't make it through without a way back
Into love
And if I open my heart to you
I'm hoping you'll show me what to do
And if you help me to start again
You know that I'll be there
For you in the end
