Way back into love – Hugh Grant and Haley Bennett

I've been living with a shadow overhead

I've been sleeping with a cloud above my bed

I've been lonely for so long

Trapped in the past,

I just can't seem to move on

I've been hiding all my hopes and dreams away

Just in case I ever need 'em again someday

I've been setting aside time

To clear a little space in the corners

of my mind

All I wanna do is find a way back into love

I can't make it through without a way back

into love

Oh

I've been watching but the stars

Refuse to shine

I've been searching but I just don't

See the signs

I know that it's out there

There's gotta be something

For my soul somewhere

I've been looking for someone to shed

Some light

Not somebody just to get me through the night

I could use some direction

And I'm open to your suggestions

All I wanna do is find a way back into love

I can't make it through without a way back

into love

And if I open my heart again

I guess I'm hoping you'll be there for me

In the end

There are moments when I don't know

If it's real

Or if anybody feels the way I feel

I need inspiration
Not just another negotiation
All I wanna do is find a way back into love
I can't make it through without a way back
Into love
And if I open my heart to you
I'm hoping you'll show me what to do
And if you help me to start again
You know that I'll be there
For you in the end
