

Takedown – Huntrix KDA Demon Hunters

Takedown, takedown
Takedown, down, down, down
(HUNTR/X girls to the world)
So sweet, so easy on the eyes,
But hideous on the inside
Whole life spreading lies,
But you can't hide, baby, nice try
I'm 'bout to switch up these vibes,
I finally opened my eyes
It's time to kick you straight back
Into the night
'Cause I see your real face
And it's ugly as sin
Time to put you in your place
'cause you're rotten within
When your patterns start to show
It makes the hatred wanna grow outta my veins
I don't think you're ready for the takedown
Break you into pieces
In a world of pain 'cause you're all the same
Yeah, it's a takedown
A demon with no feelings,
Don't deserve to live, it's so obvious
I'ma gear up and take you down (Oh)
Da-da-da, down
It's a takedown (Oh)
Da-da-da, down
I'ma take it down (Oh)
Da-da-da, down
It's a takedown (Oh)
Da-da-da, down (Take it down)
It's a takedown, I'ma take you out,
You break down like, "What?"
It's a takedown, I'ma take you out
And I ain't gonna stop
