

Badster – HYO

You want a piece of this
Lean in and get a kiss
I can tell you want some more
I'm the one who's in control
Know I'm dangerous but you like my style
Imma fire it up till we reach the sky
Love me till you drop know you can't deny
A twisted girl, you know I'm your type
I'm a badster
Bone to the flesh
I'm an electric witch
My Gucci dress
I'm a badster
Bone, flesh
Impress
I'm a badster
I'm like a firestorm
Been bad since I was born
Now we gonna burn it up
And you know that I'm the one
Know I'm dangerous but you like my style
Imma fire it up till we reach the sky
Love me till you drop know you can't deny
A twisted girl, you know I'm your type
I'm a badster
Bone to the flesh
I'm an electric witch
My Gucci dress
I'm a badster
Bone, flesh
Impress
I'm a badster
I'm a badster
I'm a badster
