

Sara Bareilles – I choose you

Let the bough break,
Let it come down crashing
Let the sun fade out to a dark sky
I can't say I'd even notice it was absent
'Cause I could live by the light in your eyes
Unfold before you
Would have strung together
The very first words of a lifelong
Love letter
Tell the world
That we finally got it all right
I choose you
I will become yours and you will become mine
I choose you
I choose you
Oh, oh-oh-oh, oh-oh-oh
Oh, oh-oh-oh, oh-oh-oh
There was a time when
I would have believed them
If they told me, you could not come true
Just love's illusion
But then you found me and everything changed
And I believe in something again
My whole heart will be yours forever
This is a beautiful start
To a lifelong love letter
Tell the world
That we finally got it all right
I choose you
I will become yours and you will become mine
I choose you
I choose you
We are not perfect
We'll learn from our mistakes
And as long as it takes
I will prove my love to you

I am not scared of the elements
I am under-prepared, but I am willing
And even better
I get to be the other half of you
Tell the world
That we finally got it all right
I choose you, yeah
I will become yours and you will become mine
I choose you
I choose you
I choose you
