

# Electric Blue – Icehouse

If a boy had a chance  
A chance with someone like you  
Are you gonna break his heart?  
Let him cry for the moon?  
Are you hiding somewhere behind those eyes?  
I just freeze (I just freeze)  
Every time you see through me (see through)  
And it's all over you  
Electric blue  
On my knees (on my knees)  
Help me, baby (help me)  
Tell me, what can I do?  
Electric blue  
Oh, I had a dream  
For a moment I believed it was true  
Oh, I'd have given anything  
Just to be there with you  
Are you hiding  
Somewhere behind those eyes?  
I just freeze (I just freeze)  
Every time you see through me (see through)  
And it's all over you  
Electric blue  
In too deep (in too deep)  
Standing here waiting  
As I'm breaking into (ooh)  
Electric blue  
I can see (I can see)  
Can see that it may be just a vision for you  
Electric blue  
On my knees (on my knees)  
Help me, baby (help me)  
Tell me what can I do?  
Electric blue  
Help me baby  
Yeah, yeah

Are you hiding somewhere behind those eyes?

(behind those eyes)

I just freeze every time you see through me

(see through)

And it's all over you

Electric blue

In too deep (in too deep)

Standing here waiting as I'm breaking in two

(in two)

Electric blue

I can see (I can see)

Can see that it may be just a vision of you

(of you)

Electric blue

On my knees (on my knees) (what can)

Help me baby tell me what can I do? (I do)

Electric blue (behind those eyes)

I just freeze every time you see through me

And it's all over you

Electric blue

In too deep (in too deep) (I'm)

Standing here waiting as I'm breaking in two

(in two)

Electric blue

I can see (I can see)

Can see that it may be just a vision of you

Electric blue

On my knees (on my knees) (what can)

Help me baby tell me what can I do? (I do)
