## Get Well - Icon For Hire

We throw tantrums like parties

We're not happy

'til everyone knows we're sick

And that's just how we like it

We've hurt bad enough, right, we've earned it

Don't tell the others

But it's all getting old

I mean how many more times

Must our stories be told?

And being lonely's only fun in a group

But sort of loses its charm when it's true

I meant it when I said

I wanna get well,

I wanna get well

Are the rest of you so content?

Stay where you are but it hurts like hell

And I'm sure it's fun at first

Test your pulse and check your vitals

If it's only a game you lost me

I quit it with the suicidal recital

So now you know all my secrets

I want out, I know I don't need this

Can you find me friends

That don't rank me on what I've been through

The more battle scars

The more attention it gets you

Don't tell the others

But it's all getting old

I mean how many more times

Must our stories be told?

And being lonely's only fun in a group

But sort of loses its charm when it's true

I meant it when I said

I wanna get well,

I wanna get well

Are the rest of you so content?

Stay where you are but it hurts like hell And I'm sure it's fun at first Test your pulse and check your vitals If it's only a game you lost me I quit it with the suicidal recital Yeah, we should've known It would end this way What did you expect? Pretend it all away And all we've got left is a sorry Pile of hearts I'm getting out, Gonna write myself a new start Come on dry your eyes, Meet me on the other side Run as fast as you can And we'll make it out alive We know better now, We don't have to live like this Go tell them all, We don't have to live like this I meant it when I said I wanna get well I meant it when I said I wanna get well, I wanna get well Are the rest of you so content? Stay where you are but it hurts like hell And I'm sure it's fun at first Test your pulse and check your vitals If it's only a game you lost me I quit it with the suicidal recital If it's only a game you lost me
