

Make A Move – Icon For Hire

Somebody make a move
Somebody make a move
Somebody
Test my reality
Check if there's a weak spot
Clingin' to insanity
Hopes the world will ease up
Try to make it look like
It's all somehow getting better
'Cause I know how to play
It pretty good against the measure
Everyone started out a little insane
But we learn pretty quick
How to fake it for the game
But some of you never learned to drop the act
So under that skin of yours: a heart attack
'Cause everybody's so scared
We don't wanna go there
We don't wanna make a move
We got all our lives to lose
Screaming in the dark while
We just play our part
I'll play right along
Like I don't know what's going on
Somebody make a move
Somebody make a move
Please, somebody make a move
We all know, we all know what's going on
And if I had the answers
I'd have written them out
So I could tell you what to do
And what this thing is about
But all I've ever learned comes second-hand
And I dare not preach what I don't understand
You and I, we share the same disease
Cover up, compromise what we grieve

I've let more than my share of revivals die
This isn't pretty but it's who I am tonight
'Cause everybody's so scared
We don't wanna go there
We don't wanna make a move
We got all our lives to lose
Screaming in the dark while
We just play our part
I'll play right along
Like I don't know what's going on
Somebody make a move
Somebody make a move
Please, somebody make a move
We all know, we all know what's going on
Pointing my fingers,
The problems still linger
They keep getting bigger
And I hold the trigger
Running with fire,
I live like a liar
Please somebody make a move
Somebody make a move
(I'm pointing my fingers)
Somebody make a move
(The problems still linger)
Somebody make a move
(I'm pointing my fingers)
Somebody, somebody make a move
'Cause everybody's so scared
We don't wanna go there
We don't wanna make a move
Screaming in the dark while
We just play our part
I'll play right along
'Cause everybody's so scared
We don't wanna go there
We don't wanna make a move
We got all our lives to lose
Screaming in the dark
While we just play our part

I'll play right along
Like I don't know what's going on
Somebody make a move
Somebody make a move
Please, somebody make a move
We all know, we all know what's going on
Somebody make a move
Somebody make a move
Please, somebody make a move
We all know, we all know what's going on
