Puppy dog eyes - Ida Laurberg

You know you look good But I know you're bad I think you sound cool But we know the words may hurt me You talk that way It could make me faint Makes me insecure But I want some more, I'm sure But the problem is I just love your puppy dog eyes Put your hands on my inner thighs You won't love my puppy dog eyes No, you just wanna be between my thighs I just love your puppy dog eyes Put your hands on my inner thighs You won't love my puppy dog eyes No, you just wanna be between my thighs I sell my soul I think I'm bold So I feel wanted But now I'm haunted, I lost it You haunt my mind And every thought I'm thinking why Does it have to be this hard I just love your puppy dog eyes Put your hand on my inner thighs You won't love my puppy dog eyes No, you just wanna be between my thighs I just love your puppy dog eyes Put your hands on my inner thighs You won't love my puppy dog eyes No, you just wanna be between my thighs I just love your puppy dog eyes Put your hands on my inner thighs

You won't love my puppy dog eyes

No, you just wanna be between my thighs
I just love your puppy dog eyes
Put your hands on my inner thighs
You won't love my puppy dog eyes
No, you just wanna be between my thighs
