

Defying Gravity – Idina Menzel

Elphaba Why couldn't you have stayed calm

For once

Instead of flying off the handle?

I hope you're happy?

I hope you're happy now?

I hope you're happy how

You hurt your cause forever?

I hope you think you're clever?

I hope you're happy?

I hope you're happy too?

I hope you're proud how you

Would grovel in submission

To feed you're own ambition?

So though i can't imagine how

I hope you're happy

Right now

Elphie?

Listen to me

Just say you're sorry

You can still be with

The wizard

What you've worked

And waited for

You can have all

You ever wanted

I know

But I don't want it

No, I can't want it

Anymore

Something has changed

Within me

Something is not the same

I'm through with playing

By the rules

Of someone else's game

Too late for second-guessing

Too late to go back to sleep
It's time to trust my instincts
Close my eyes and leap
It's time to try
Defying gravity
I think I'll try
Defying gravity
And You can't pull me down
Can't I make you understand?
You're having delusions of
I'm through accepting limits (Grandeur)
'Cos someone says They're so
Some things I cannot change
But 'till I try I'll never know
Too long I've been afraid of
Losing love I guess I've lost
Well if that's love
It comes at much
Too high a cost
I'd sooner fly
Defying gravity
Kiss me goodbye
I'm Defying gravity
And you can't pull me down
Glinda, come with me
Think of what we could do
Together!
Unlimited
Together We're
Unlimited
Together We'll be the greatest
Team there's ever been
Glinda
Dreams the way
We planned 'em
If we work in tandem
There's no fight we cannot win
Just you and I
Defying Gravity
With You and I

Defying gravity
They'll never bring us down
Well?
Are you coming
I hope you're happy
Now that you're choosing this
You too
I hope it brings you bliss
I really hope you get it
And you don't live to regret it
I hope you're happy in the end
I hope you're happy my, Friend
So if you care to find me
Look to the wester sky
As someone told me lately
Everyone deserves
A chance to, Fly!
And if I'm flying solo
At least I'm flying free
To those who'd ground me
Take a message back from me
Tell them how I
Am defying gravity
I'm flying high
I'm defying gravity
And soon I'll match
Them in renown
And nobody
In all of Oz
No wizard that there is or was
Is ever gona bring me down
I hope you're happy
Bring me down
Oooooooooooooo
