

# Dolly dilly dog do dolly rap song – idk

Uh, uh, uh, uh uh  
Clouds, stars, skies 'n' stuff  
This poetry is makin' me lose my ruff  
And if I can't rhyme that's just fine  
'Cos everything comes out silly  
And poetry isn't my cup of tilly  
And when I'm billy, nilly, filly  
So take a gilly and rhyme with frilly  
I'm a night dog, day dog  
Morning dog too but am I a poetry pooch?  
Nuh-uhh  
I'm just Dolly dilly doggy dog doo  
(Dolly dilly doggy dog doo!)
