Alicia Keys - If I Ain't Got You

Some people live for the fortune Some people live just for the fame Some people live for the power, yeah Some people live just to play the game Some people think That the physical things define what's within And I've been there before, and that life's a bore So full of the superficial Some people want it all But I don't want nothing at all If it ain't you baby If I ain't got you baby Some people want diamond rings Some just want everything But everything means nothing If I ain't got you, yeah Some people search for a fountain That promises forever young Some people need three dozen roses And that's the only way To prove you love them Hand me the world on a silver platter And what good would it be With no one to share, with no one who truly cares for me Some people want it all But I don't want nothing at all If it ain't you baby If I ain't got you baby Some people want diamond rings Some just want everything But everything means nothing If I ain't got you Some people want it all

But I don't want nothing at all

If it ain't you baby
If I ain't got you baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, yeah
If I ain't got you with me baby
So nothing in this whole
wide world don't mean a thing
If I ain't got you with me baby
